Form 990 (2024)

Form 990, Part III, Line 4a:

LGS Family Support, Education, and Empowerment Programs: Receiving a diagnosis of LGS is overwhelming and leaves families with many unanswered questions. The LGS Foundation provides comprehensive support and educational programs to over 12,000 members impacted by LGS, offering direct assistance through individual consultations, resource navigation, and financial aid for medical expenses not covered by insurance. In 2024, our private, online caregiver community reached 7,500 members, with 51 ambassadors in 8 countries who help local families navigate the LGS journey. In 2024, 653 new families were onboarded to our support community and 34 online support groups were hosted, including groups for Spanish-speaking families, Dads, and Caregivers of Adults living with LGS. 461 New Family Welcome Kits, 224 About LGS Treatment Kits, 246 Sibling Support Kits, and 494 Adult Care Binders were mailed to help families navigate the different stages of their LGS journeys. The LGS Foundation also supported approximately 140 bereaved families who have lost their loved ones to LGS. Further, we have funded over \$120,000 in patient assistance grants since our inception. The LGS Foundations family support and education efforts continue to grow as we focus on supporting families locally and globally.

Form 990, Part III, Line 4b:

The LGS Foundation organized its biennial International Family & Professional Conference, hosting three days of educational, scientific, and community-building sessions for more than 350 attendees, including families, clinicians, scientists, allied health providers, and industry partners around the world. The conference featured 18 expert-led educational sessions, six interactive clinical and research workshops, and breakout groups on sleep management, SUDEP prevention, behavioral and cognitive therapies, and transition planning to adult care. Dedicated family engagement programming included a Sib Camp for siblings, full inclusion of individuals with LGS, and caregiver roundtables to share lived expertise and foster peer connections. LGS Family and Professional Conference: Additionally, the conference provided access to one-on-one consultations with renowned epilepsy experts, allowing families to ask questions about diagnosis, therapies, genetic testing, and individualized care strategies. An on-site resource fair, supported by 14 partner organizations and sponsors, gave participants direct access to information on clinical trials, assistive technologies, and community services. The Foundation awarded 168 travel scholarships, 84 for individuals who have never attended the conference, and provided accessibility services to ensure the event was inclusive and accessible to families who could not attend. Conference presentations were recorded and distributed post-event, with over 6,500 views and ongoing access supporting lifelong learning for stakeholders unable to attend in person. This multifaceted event continues to advance the LGS Foundations goal of nurturing a well-informed, resilient, and interconnected global community.

Form 990, Part III, Line 4c:

Research Grants and Funded Initiatives: To date, the LGS Foundation has hosted 12 international LGS research convenings and awarded over \$2 million in competitive research grants supporting 18 high-impact projects focused on understanding disease mechanisms, improving treatments, and advancing toward cures for LGS. These convenings and grants have contributed to significant scientific progress, including studies on novel therapeutic approaches and clinical trial endpoints. The Foundations research portfolio supported 2 new funded studies in 2024, one on moving us towards preventing LGS by identifying early risk factors and one on formulating an international consensus for the diagnosis and management of LGS. Findings from convenings and grants are published in peer-reviewed journals and presented at major scientific conferences. The LGS Foundation also supports the LGS Learn from Every Patient Database, a natural history registry that includes electronic health records and real-world data from caregivers living with LGS. Research efforts have ramped up to increase this dramatically over the next 5 years. Research areas include death in LGS, SUDEP, understanding where the electrographic features of LGS originate in the brain, drug discovery, targeted treatments, genetics, epidemiology, and neural networks. The Foundations commitment to research has helped accelerate research on LGS, which would not otherwise be undertaken. These accomplishments reflect the Foundations dedication to improving the lives of individuals with LGS and their families through robust support, education, and research initiatives.

Part X, Line 2-Text in footnote regarding FIN 48 (ASC 740)	The Foundation is exempt from federal income taxes under section 501(c)(3) of the Internal Revenue code. The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Foundation may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. Examples of tax positions include the tax exempt status of the Foundation and various positions related to the potential sources of unrelated business taxable income (UBIT). The tax benefits recognized in the financial Statements from such a position are measured based on the largest benefit that has a greater than 50 % likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded as liabilities for at December 31, 2024. The Foundations policy would be to recognize interest and penalties, if any, on tax positions related to its unrecognized tax benefits in income tax expense in the financial statements. No interest and penalties were assessed or recorded during 2024. Generally, the Foundation is no longer subject to U.S. Federal or State examinations for returns filed prior to the previous three years.

Additional Data Form 990, Schedule I Part IV - Supplemental Information

Return Reference	Explanation
Additional Information for Schedule I	Grant applications are received throughout the year and qualified applicants affiliated with an accredited university are reviewed by an external review panel of scientific experts. Scientific scoring is based on the NIH R01 Grant scoring system and final scientific scores are shared with the Research Committee and Board of Directors (BOD). The LGS Foundation BOD then considers the scientific merit of each grant in the context of organizational goals and votes to fund approved research grants throughout the year. Grantees provide progress reports every 6 months to 1 year depending upon the length of the grant, which allows allocation of funds for the next grant period, and must provide final progress reports at the end of the project.
