Form 990, Part III, Line 4b:

Education San Diego Automotive Museums programming offers San Diegos children an opportunity to learn about the many facets of the automobile experience, from the automobiles impact on society to societys impact on the automobile. This includes social studies (automotive history: local, national, and international), science (the physics and technologies involved), and even art (movable art). The impact of the automobile on American society is without question and has been driving factor in our growth. At the San Diego Automotive Museum, visitors can begin to understand how important the industry has been to humanity, how the automobile has helped to shape our national identity, how the automobile has changed the course of American History, and how technological improvements brought on by the automobile have given us much greater access to the world at large.
